

FOOD & PANTRY NEEDS

Supporting the recovery of adults living with serious mental illness since 1983
archstreetcenter.org

Arch Street Center is a recreational facility for adults living with serious mental illness. We are open 365 days a year and we provide a warm, welcoming place for our members. We offer two nutritious meals and an activity every day. For many of our members, this is their only source for meals and for appropriate recreation.

If you, your family, church, social club, organization, or any other group are looking for a great way to help improve the lives of our members....

Host a food/pantry drive!

- Each day, Arch Street provides TWO meals to our members
- We see nearly 50 members per day
- That's nearly 18,000 meals per year!

PLAN A DRIVE

All donations are greatly appreciated. If we are not able to utilize the food or pantry item for Center use, we will pass it along to the members to take home with them.
