

Monthly Meal Sponsorship Opportunity

Food is a very important component in Arch Street Center's daily program.

Every day, Arch Street Center members are given a healthy, delicious, restaurant quality meal. For some of our members who are food insecure, this meal is an essential part of their routine.

Since the pandemic, we have started a free lunch program that is open to our members and anyone in the community who needs a healthy bagged lunch. We serve these community lunches on Mondays and Fridays between 12:00-12:30pm. Since we have started this program, we have served well over 20,000 lunches.

Do you want to help Arch Street Center provide healthy and delicious meals?
